

- iv. Support phone and e-mail information for issuing EIC
 - v. Equipment and supplies to implement the program
 - c. Eligibility for EIC
 - i. Cannot have one of the seven photo ID's required by the State
 - ii. No individual made application for an EIC
- 4. Department of Public Safety (DPS) did not set up a mobile EIC. It was mentioned but the decision was made to train the EA for that function
- 5. Election administrator is trained to issue EIC
 - a. Policies, procedures, training manuals, documents related to issuing were provided by the state and could/should be obtained from them
 - b. Outside of the training onsite by the state I made one phone call to clarify some function that I did not document
 - c. See above
 - d. Articles, signage etc. gave information that when office is open EIC is available
 - e. No county funds expended for office space, training, etc.
 - f. See above
- 6. No exemptions requested or granted

To my knowledge every voter who voted used a Texas Driver's license (approximately 95%) or a hand gun permit. We may have had a passport but I am not aware of it. People in Madison County who vote have a driver's license or they have a reason to vote absentee.
